WILLIAM FONSECA MORA

SYSTEM ENGINEER STUDENT

ABOUT ME

Nine-semester student of systems engineering,
with knowledge and management of the following skills:

- Java (Spring, Gradlew)
- Python (Django, Pandas, Fastapi, Selenium, Jupyter)
- Javascript (Nodejs, NPM, Typescript, Express)
- C# (.Net)
- SQL (Postgresql, Mysql, SQL server)
- NoSQL (MongoDb, Redis, Neo4j)
- Docker
- Git

Management of Rest API architectures MVC Pattern, OOP and Functional programming; with analytical skills, adaptability and attention to detail.

LANGUAGES

Spanish - Native
English - C1

PROFESSIONAL EXPERIENCE

Senior Software Engineer

Micronotes.ai | January 2026 - present

Design, develop, and maintain backend services and APIs.
- Implement business logic, integrations, and data processing workflows.
- Ensure code quality through proper testing, documentation, and code reviews.
- Identify, debug, and resolve complex issues in production systems.
- Optimize performance, reliability, and scalability of backend components.
- Work extensively with SQL databases, including schema design, query optimization, and data integrity.
- Implement monitoring, logging, and alerting to ensure system reliability.
- Apply best practices for cloud security, access control, and cost optimization.
- Participate in architectural discussions and technical decision-making.
- Review code and provide constructive feedback to maintain high engineering standards.
- Collaborate closely with product, data, and operations teams to deliver end-to-end solutions.
- Contribute to documentation, technical standards, and internal best practices.

EDUCATION

Universidad Distrital Francisco José de Caldas

System Engineer 2018 - 2019

Universidad el Bosque

System Engineer 2020 - present

Homologation

PROFESSIONAL EXPERIENCE

Solution Specialist & Data Engineer

Bicode | July 2024 - January 2026

Design, build and maintain quality software following industry standard and a data mindset, using the best technology stack that accommodates to the client's requirements. Management of Atlassian SaaS services and azure cloud services.

Junior Web Programmer

Pevaar | Septiembre 2023 - Julio2024

Maintain and build quality software following industry standard using agile methodologies.
Management of Trello dashboard, SQL, NoSQL, .NET, Angular, Git, HTML, CSS, Java, Azure.
Using architectures such as MVC, microservices, DDD.

System Engineer

Capgemini | September 2022 - September 2023

Managment of tickets responses and tickets escalation, i communicate with different teams providing real-time troubleshooting.
i make sure system are up to date through queries to database systems, updating database using SQL queries and API's, software like Postman and Insomnia Rest and company's admin web pages

Backoffice Agent

Santillana | February 2022 - May 2022

Make sure to load the client's information correctly to the Web Page of the Company. I managed tickets responses through Jira, i got client's information in .xlsx files and i had to clean and transform the data to make it valuable data. Using Macros and dynamically tables, search and filters table in Excel.

EF SET
EF STANDARD ENGLISH TEST

This is to certify that

Santiago Fonseca

has successfully completed the EF SET Certificate
and has earned the English level:

EF SET
67/100
C1 Advanced

Awarded on:

4 Nov 2021

Understanding the results

EFSET	1-30	31-40	41-50	51-60	**61-70**	71-100
CEFR	A1 Beginner	A2 Elementary	B1 Intermediate	B2 Upper Intermediate	**C1 Advanced**	C2 Proficient

Your level of English is **67/100** on the EF SET score scale and **C1 Advanced** according to the Common European Framework of Reference (CEFR). This score is calculated as an average of your reading and listening scores

Listening Section

75/100 **C2** Proficient

You are comfortable in all situations that require full comprehension of spoken English; you are almost never confused or searching for the meaning of words and phrases. You understand nuances of expression and tone, humor and emphasis in all live theatrical presentations, films or broadcast presentations in English.

- Can understand with ease any kind of spoken language, even when delivered at fast native speed, provided with time to get familiar with any regional or other accent.
- Can understand lectures and presentations with a high degree of colloquialism, regional usage and unfamiliar terminology.

Reading Section

59/100 **B2** Upper Intermediate

You comprehend articles on many subjects and you can follow arguments and disagreements in most cases; you understand a variety of specialized written texts.

- Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialization.
- Can read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints.
